PROFESSIONAL EXPERIENCE

Senior Software Associate Aug 2024 – Present
[XRG Consulting Pvt Ltd · Hyderabad](#)

- Architected an AI-driven platform for configurable enterprise applications, enabling rapid low-code development; led frontend across 4 major client products end-to-end.
- **AI-Powered Enterprise Application Builder**
 - Implemented entity/master data modeling, RBAC, dashboards, workflows, forms, reports, notifications, and user management; enforced coding standards via code reviews.
- **Anvayaa KinCare – Caregiver Management Platform**
 - Built responsive UIs for care scheduling, caregiver assignment, activity tracking, and dashboards; implemented notifications and reporting for elder care operational monitoring.
- **Enviro – Elder Care Services Web App (in collaboration with Anvayaa)**
 - Designed and developed a web app enabling elderly users to browse, book, and manage elder care services in collaboration with Anvayaa.
- **Global eCare – Maritime Medical Management System**
 - Developed a healthcare compliance platform for shipping companies with appointment scheduling, test result tracking, and DG-certified doctor review/approval workflows.

Software Developer Sep 2021 – Jul 2024
[Kagami India Pvt Ltd · Hyderabad](#)

- Developed reusable React component modules powering enterprise applications **across 10+ industries**, improving UI consistency, maintainability, and development efficiency.
- **ERP Solution using Low-Code/No-Code**
 - Built a low-code/no-code ERP platform generating runtime applications via visual configurations, reducing custom development effort and time-to-delivery for clients.

Software Engineer Nov 2020 – Sep 2021
[Brillio Technologies · Bangalore](#)

- Collaborated with cross-functional teams to design and deliver application features using JavaScript and modern frontend technologies.
- **Budget Scheduling & Estimation System**
 - Designed and developed a web app for estimate, budget, and cost management; built budget planning, cost tracking, and financial reporting for project resource management.

EDUCATION

B.Tech – Electronics & Communication Engineering Graduated 2019
[Kakinada Institute of Engineering and Technology · Kakinada](#)
